Orders

The minimum first order is \$2,000 and all orders after that must be a minimum of \$500. Annual minimum purchase is \$10,000 to maintain an account. Retailers who cannot meet the annual requirement may still be eligible to maintain an account but with different discount terms.

All orders must be placed by phone or fax. Payment may be made by check or credit card. Orders will not be shipped until payment has cleared. In many cases, orders may need to be manufactured. Lead times will be given at the time of your order.

Pricing

Depending on the size of each order, pricing may be given as a percentage discount of our published prices or as a discounted set price per part. Any change to the agreed percentage discount and/or discounted set price will be notified to the account holder in writing.

Sales Tax

We are required to collect sales tax from all customers in Pennsylvania. To claim exemption, PA Sales Tax exemption forms must be faxed or mailed prior to your first order.

Account buyers

Each account may have up to 2 authorized buyers approved to make orders. To change the names on the account, a request must be submitted in writing.

Credit Terms

Credit is not available until an account is at least 12 months old, has met the minimum annual order value and is in good standing. After that time, you may submit an application with at least 2 credit references. Credit availability is not guaranteed and is subject to approval.

Copyright

All contents of our website and catalogues are protected by copyright. All content may only be used and/or edited with prior permission. If you use your own content, it must be approved by us before use. This includes any written descriptions and/or photographs of the products.

Returns

All claims and returns must be submitted within 10 days of receiving the order. If items are damaged or rejected, they will be replaced when stock becomes available. Items returned for any other reason will be refunded less a 20% restock fee. All returned items must have an Authorization Number.
